

Sheridan

Dear Future Student,

Welcome to Sheridan's Creative Campus!

As a Professor and Coordinator of the **Architectural Technician/Technology Program**, I would like to congratulate you on your acceptance into the 2021/2022 academic year.

Over the course of your studies here at the Hazel McCallion Campus, you will gain the skills and abilities needed to thoughtfully shape and redefine our built environment.

Our graduates work in a variety of fields including design and drafting, construction supervision, estimating, specification writing, project management, and municipal building departments.

I look forward to meeting you at our virtual [Orientation](#), September 3, 11 am - 1 pm. There, we will discuss the structure of the program, co-op opportunities, have a tour of our state-of-the-art campus, and ensure you are prepared for your first day of class.

To prepare for your first day of class, please have a look at your schedule and familiarize yourself with the rooms that you'll be in at our HMC campus. Our address is 4180 Duke of York Boulevard Mississauga, Ontario. If you don't see a room number on your schedule, that means that your course is online in our virtual classrooms in Slate.

Here are links to resources that I feel would be of value:

- Want to check out your courses? Visit SLATE (slate.sheridancollege.ca)
- Want to look at your schedule, check your academic standing, etc.? Use myStudent Centre (<http://mystudentcentre.sheridancollege.ca>)
- Feeling stressed? Connect with our counsellors (askanadvisor@sheridancollege.ca)
- Have financial aid questions? (<https://www.sheridancollege.ca/admissions/financial-aid-and-awards>)
- Have questions about deadlines and schedules? Visit the OTR (<https://myotr.sheridancollege.ca>)

Welcome to the Sheridan community! I look forward to being part of your journey.

Sincerely,
Jordan

Jordan Martin, M.Arch, M.U.D.
Professor and Coordinator, Architectural Technology
Faculty of Applied Science & Technology
